## Today's Important News

Micro-Small and Medium-Sized Enterprises Day 2022 observed on 27th June.

## 1. Micro-Small and Medium-Sized Enterprises Day 2022 Observed on 27th June

- Recognising the potential of the MSME and their role in strengthening economies, June 27 is celebrated as the Micro-Small and Medium-sized Enterprises Day. The day is aimed at raising public awareness of the contribution of MSMEs to global economic growth and sustainable development. MSME or Micro-Small and Medium-sized Enterprises are crucial for the growth of a country as they form the backbone of the economy. They are enterprises that usually employ not more than 250 employees but are responsible for creating more than two-thirds of all jobs globally.
- According to the United Nations, formal and informal MSMEs account for 70 per cent of the total employment and 50 per cent of the GDP. Moreover, the sector makes up for 90 per cent of all firms. With such significant contribution to the economy, MSMEs are essential for innovations, job creation, and productivity growth.
- The Micro-Small and Medium-sized Enterprises Day was marked by the United Nations General Assembly in its 74th Plenary on April 6 2017. The move came after the International Council for Small Business (ICSB) 2016 World Conference Declaration on the urgent need to recognise MSME's role in global development.

### 10. GST Council to talk about modifying law, online gambling and casinos

- The Goods and Service Taxes (GST) Council is going to talk about changing the law to make it easier to create GST tribunals. A report by a Group of Ministers (GoM) on online gambling, casinos, and racetracks will also be discussed by the Council. The GoM has proposed that rates and valuation standards for the 28 percent GST that will be imposed on casinos, racetracks, internet gambling, and lotteries be uniform. It said that no distinction should be made between games of skill and games of chance for the purposes of the levy.
- It is advised that in the case of online gaming, the full value of consideration will take into account any contest entry fees, player participation fees, etc., whereas in the case of racetracks, the full value of bets placed with bookmakers and pooled in the totalisator should be taken into account.
